We Dedicate

. . . the 1956 WARRENTONIAN to Mrs. Doris Nielsen because of the excellent and superb manner in which she displayed her ability to guide as she led us through the last and extremely difficult year. We, the Senior Class, who love, respect, and honor Mrs. Nielsen, shall never forget her cheerful smile, sincere concern, keen interest, constant efficiency, encouraging words, ever-present politeness and supreme character.

We Dedicate

. . . the 1956 WARRENTONIAN to Mr. B.L. King, our coach and our devoted friend. Athletics have played a large part in our school activities. Under Coach King's leadership, our athletic contests have always provided clean, wholesome fun, regardless of whether we won or lost. He is loved by all for his gentle and tactful nature and his constant readiness to help others.

History

Back in the fall of 1952, we were new in high school and high school was new to us, but only a short time passed before all the newness had worn away, and we were accustomed to high school life. Coming from Macon were twelve students to join the class of '56 and they were heartily welcomed by members of the class who were already a part of John Graham. Mrs. Leete and Miss Bullock were the homeroom teachers who patiently helped us, "little green freshmen". We were especially interested in extra curricular activities, and many of us enjoyed participating in them immensely.

The next year a greater number of us belonged to more clubs and activities, but the seniors robbed us of one of our teachers, Mrs. Leete. Therefore, for two years we progressed under the constance guidance of Miss Bullock.

The work in our Junior year started off with a bang. Studying took up a great deal of our time, but we racked our brains and used plenty of elbow grease in making money for our Junior-Senior banquet and dance. On April 15, our purpose was accomplished when we gave a lovely Junior-Senior with the theme being "Moonlight and Roses". Music was furnished by a band from Wilson. The food was delicious and everybody had a good time. The Seniors said that it was wonderful.

At the beginning of our senior year, when we moved into this important position, we could hardly believe it. There was so much to be done, and so many of these things created memories never to be forgotten. Our class rings were the prettiest ever to be, and we enjoyed compiling and editing our annual, "The Warrentonian". Selecting our invitations and planning our graduation exercises were, of course, of supreme importance to us.

Under the splendid guidance of Mrs. Nielsen we have accomplished many things during our last year in high school. Not only this year, but all the way through school, there have been many little stumbling blocks over which we had to climb, and most of the time we were fairly successful. In true appreciation to all those who have helped us along the way, we say from the bottom of our hearts, "thank you".

Last Will And Testament

We, the Senior Class of John Graham High School, of the state of North Carolina and the county of Warren, in this year of our Lord, nineteen hundred and fifty-six, do leave John Graham behind as we face what we have obtained intellectually in the past twelve years. We do hereby declare this to be our last will and testament.

Article I

To our parents, teachers, and principal, we leave our sincere gratitude. Without their encouragement and help, we would never have reached our goal.

Article II

To the Juniors, we leave the responsibility of setting an example for the rest of the students to follow and hope you will do as good a job as our class has.

Article III

To the Sophomores and Freshmen, we leave with the hope that you will have as much fun as we have had and take full advantage of the many opportunities offered you during your high-school education.

Article IV

Prophecy

The date is January 1, 1966. The place is the new John Graham gymnasium. The event is the first basketball game between Warrenton and Norlina in the new gym. As I glance over the crowd I realize that all the members of the class of '56 are present for the occasion.

Juanita Clary, who was our best girl athlete, is now coaching at John Graham, where they are still struggling for a championship girls' team.

Fred Bartholomew is playing shortstop for the World Champion New York Yankees.

Barbara Britton, who always had a flair for the dramatic, is now a famous novelist and playwright. Her latest play, "Ready for Freddie", was a huge Broadway success.

Sylvia Capps is teaching in Chapel Hill where her husband is coaching football at Carolina.

Geraldine Coleman is living in Washington, D. C. where her husband is pastor of the First Baptist Church, which the President of the U.S. now attends.

Shirley Daniel owns the biggest majorette school in the country in Miami Beach, Florida.

Fan Daniel now owns "Daniel's Dine and Dance", Wilmington's most popular night spot.

Mary Burwell Davis is Home Demonstration Agent for Pamlico County.

Tommy Davis, who always liked to argue, is a rising young Rocky Mount lawyer. It is rumored he has been asked to run for the state legislature.

Jack Felt's dairy farms have monopolized the milk industry in eastern North Carolina.

Charles Faulkner is making the Army his career. He has just returned from a tour of duty in Africa.

Billy Frazier is Farm Agent for Wake County. As a sideline, he raises white mice for the State College Experimental Station.

Anne Harris, who began her bus driving career at John Graham, is now driving for Greyhound. She was named "Bus Driver of the Year" in 1964.

Bobby Jones has recently become famous by breaking the world's typing record for correct words per minute. He is employed in the Pentagon in Washington.

Audrey Loyd and Emma Jane Limer have returned from Europe where they gave a piano concert for the British Royal Family.

Charles Miller is head warden at Central Prison in Raleigh, North Carolina.

Peggy Mustian has a nationwide television following for her program "Peg's Cookbook"

Jerry Norwood is a contractor who recently finished the John Graham Gymnasium.

Margaret Pegram has put her sewing ability to work and is the owner of a dress-making shop in Roanoke Rapids, where one of her frequent customers is the first lady of North Carolina.

Shirley Peoples has joined the ranks of secretaries who marry their bosses. Her husband is governor of Texas.

Norman Pinnell is struggling to make his first million dollars by hunting wild animals in Africa to sell to American Zoos.

Leroy Pittman has recently opened the new Grove Hill Speedway, said to be the most modern racetrack in the country.

Anne Reavis has been around the world eight times with her husband, an Army general.

Anton Reid is a television newscaster for C. B. S.

Jo Ann Serls and Sidney Smith, our wittiest members, are now being hailed as television's newest sensation. Some call them a second Imogene Coca and Sid Caesar.

Robert Shearin has opened the newest and most modern drugstore in Raleigh, Shearin's Pharmacy.

Loney Mae Walker has acquired a huge following in the hillbilly music world. She recently appeared as guest star on Eddy Arnold's nationwide television show.

Pete Stallings broke the world's record for swimming the English Channel.

Merle Fleming, who always had an opinion in every class, is now a commentator for N.B.C.

W. C. St. Sing is playing professional football for the Los Angeles Rams. He plans to retire next year and live in Florida selling peanuts to the monkeys.

Janet Whitford recently finished a singing engagement at "The Sands Hotel" in Las Vegas, Nevada. She is opening in a Broadway musical in the summer.

Dan Thompson, who began with one Ford car in high school, is now president of Ford Motor Co.

Rosa Bernette Wilkes is head flight nurse for the U. S. Air Force.

As for myself, I am secretary and odd-job gal to the editor of the New York Times. I may get a raise for this scoop on the class of '56.

Poem

The time has come for us to part
And tell our classmates good-by.
We leave to all our friends
The blessing of John Graham High.

The happiest times of our lives
Have been the days of our youth,
Where we have enjoyed many pleasures
And learned the value of truth.

Our departure makes sadness prevail
And adds sorrow to our heart,
But our friendship will continue
And nothing will keep us apart.

We hope that we've all worked hard
And done our very best,
Because our utmost goal
Is the goal of success.

We thank our teachers and parents
For their generous helping hand.
They taught us how to learn
And how to understand.

A new and exciting life
Will soon be drawing near.
Let us be bold and courageous
And face it without fear.

As we leave our school
May God be with us,
For He is our guide
And in Him shall we trust.

Dearest Sugar Plum.

I have had a most enjoyable
nine years with you at John Graham,
except a few times weren't so hot.

You're quite a gal. I like your
stupid cracks. I guess you get them from Howard.

Remember the good times we had
on the activity bus going to ball games
and especially coming back. (Those dark
nights.) There were some pretty hot times
on that bus. I enjoyed seeing you
play. I hope next year you will be
able to play in every game.

I hope soon you will be able to grab
Pete. (Cute boy ain't he?) Be sure to grab
him around the neck.

Remember those wonderful, dark nights
in Donn's basement. I'm sure you
were just a smooching away with those boys.
I was rather busy my self, so I couldn't
check on you. Brenda H. said she did.
(Poor Sarah!)

Good luck always to a very cute,
sweet and loving honey, hun!?!?!

Love L. Love.
